Change of the Limit per Withdrawal for Cash Cards and Credit Cards Issued Overseas

Seven Bank has complied with EMV regulations, globally accepted security standard, and equipped with a system that detects criminal transactions so as to prevent crimes committed on our ATMs. Besides, we have decided to decrease the limit per withdrawal for cards issued overseas to 50,000 yen from May 28, 2016 onward in order to enhance our crime prevention measures.

We apologize for the inconvenience and ask for your kind understanding and cooperation.
