## Seven Bank to Reinstate ATM Services for Overseas-issued MasterCard Brand Cards

Seven Bank, Ltd. announces that it will reinstate, from August 23, 2010, Japanese yen withdrawal and balance inquiry services via its ATMs for overseas-issued MasterCard brand cash cards and credit cards.

Seven Bank suspended service for MasterCard brand cards from December 2009 but has since negotiated and agreed with MasterCard on satisfactory service conditions under which Seven Bank intends to reinstate service.

Going forward, Seven Bank will continue to support the Japanese Government's Visit Japan Campaign by enhancing services that allow overseas visitors to withdraw Japanese yen from its ATMs.
