

Please beware of fraudulent e-mails that claim to be from Western Union

June 2, 2014

There have been fraudulent e-mails circulating that claim to be coming from Western Union (an affiliated company of Seven Bank International Money Transfer Service) which attempt to acquire the customer's personal information such as bank account number for the purpose of tricking to transfer the winning amount from a promo.

The e-mails concerned are transmitted regardless of with or without application for Seven Bank International Money Transfer Service and not at all related with our company.

If you receive any such e-mail solicitations, please do not respond and delete the email immediately.
